Dear Orienteer, dear Guests,

As the mayor of Mórahalom, I with the honour and the love of the host welcome the participants of "Homokhát" Maccabi Cup.

It is a great honour for us that Mórahalom can give home for a three-day international orienteering race, on which four-hundred competitors, their relatives and friends from eleven countries will take part

I hope, that beside the race you have time to know the "treasures" of our town: St. Erzsébet Spa and its thermal water, delicious meals, "homoki" wine, the various cultural organizations, hospitable people besides nice landscape and rich natural values.

I am sure that after being here you will enrich with nice memories, pleasant feelings. I hope that as a kind friend you will come back to our place again.

During the race the competitors can match their quickness and field orientation skills, for which I wish you good luck and have fun!
